

This half term our topic is

# How Does Your Garden Grow?

## Literacy

We will be exploring the following text types:

The Caterpillar Shoes:

Developing our knowledge writing non-fiction text.

I Love Bugs

Exploring poetry.

## Maths

This half term we will continue with

Year 1 - Place value and then height and length.

Year - Multiplication and division then statistics

## Science

The children will create a small scale allotment, grow and nurture their own plants, understand how food chains work and learn that energy from the Sun is passed through each link in a food chain. The children will also be able to sample the food that they have grown.

## Plants

## Design and Technology

**Sensational salads** exploring fruit and veg peeling, zesting, cutting safely and applying these skills when preparing healthy dishes. Children will learn key information about healthy eating.

## Religious Education

The children will draw upon their own understanding of belonging and relate it to Christianity and Judaism.

## PSHE

### Mental Health and Wellbeing

Feelings

Whole school focus on learning basic BSL to enhance our awareness of others.

## Music

This half term our focus piece of music is called Round and Round.

The children will be able to access this online via their YUMU login details

## ICT

Creating and publishing projects  
Linked to Geography children will create a project developing their ICT skills, (varying depending on software at home)

## Physical Education

This term we will be working on shape and balance activities in gymnastics.

## Geography/History

This half term the children will be identifying human and natural features in their local environment and comparing their environment to a non-European country.

## Experiences

We will be celebrating World Book Day on Friday 5<sup>th</sup> March, with a family-friendly quiz and other activities and games.  
We will link other activities within our local environment to embed our learning.  
(To be confirmed)
