

Our Aims

- We will develop capable, confident and caring children who embrace life.
- We will teach each child to be creative, solve problems and communicate effectively.
- We will provide a secure, inclusive setting for all children including those with disabilities.
- We will promote awareness, respect and understanding of the attitudes, values and beliefs of others, while offering opportunities for personal reflection and questioning.
- We will encourage all children to be healthy, physically active and environmentally responsible.
- We will foster mutual support within mixed age classes.
- We will encourage the children to participate fully in school life and contribute positively to the wider community.

Our Ethos

We strive continuously to provide a friendly, caring environment where each child is valued and can develop into a happy, motivated learner, prepared to meet the opportunities and challenges of future life.

OUR VALUES

Happiness

We value the importance of fun, enjoyment and friendship in all aspects of school life.

Kindness

We value showing care, concern, and goodwill towards all.

Achievement

We value and celebrate all achievements and encourage everyone to be successful.

Respect

We value self-respect and respect for all others.

Responsibility

We value responsibility and honesty for the way we lead our lives.
