Dear Parents/Carers

I am writing to clarify the situation relating to the future of Clyst Hydon School. Some parents have noticed that the Department for Education website states that the school is closing. I would like to reassure parents, that this is not the case and that the statement on the website is for administrative purposes only. When an academy order is granted pending conversion, the existing school is 'closed' and a new identification number is allocated to the new academy. This does not affect the day to day operation of the school, which remains open. I hope this clarifies the position.

Yours sincerely

AJ Bourne
