

KS2 Owls Class Weekly Learning Plan: Week Commencing Monday 1st March

Morning lessons (English and Maths) will be delivered either via Zoom live lessons or via video links, together with supporting worksheets. Information for afternoon lessons (Foundation Subjects) has been sent via email and can be covered in any order, to fit with family preferences. Teachers and families will communicate via email and parents or carers are encouraged to send their children's work to teachers via photographs or documents attached to emails. Teachers will respond with feedback. Whilst children are not in the focus maths lesson, they should be developing their essential skills: daily reading and spelling, including using Nessy online learning and times tables practice including using TT Rockstars.
