Each half term, the focus for the after school clubs will be changed, with either a sports-based, creative/arts-based or musically-based club being offered at least once a week.

Although they are offered free of charge, please remember to sign your child up for these clubs.

As a staff, we will maintain health and safety, safeguarding, child protection and a duty of care towards your child; to this end, we keep a weekly register for our attendance records.

Thank you
