

PE

INTENT

We believe in inspiring our children to be **curious** and **confident** about the potential of their body to acquire different PE skills and to then use these skills in a range of different sports.

We value the development of high quality **communication** skills in PE, as these skills enable them to communicate with their team mates **confidently**. We encourage and support the acquisition and use of age-appropriate, aspirational and relevant vocabulary in PE lessons to aid their interactions with each other during sporting activities.

We encourage our children to make **connections** in all their learning within PE lessons, for example considering how a throw they have learnt in one sport, might also be applied when taking part in a different sport. We make **connections** with local schools and learning communities to ensure that our children have the chance for wider team games and competitive sport, and we always look for opportunities to take their learning in PE onto a bigger platform so that they experience success and challenge in a wider arena.

We celebrate progress and challenge in all our PE lessons and encourage our children to develop the **confidence** to have a go at sports they are less familiar with and to not give up when a certain sport or skill seems challenging. We encourage our children to show **compassion** to others as they share their own attempts, ideas, contributions and successes and challenges within PE lessons.

We believe in using our local area as much as possible for Outdoor learning which takes place in and around the local area and includes orienteering skills. Living in a coastal county we believe that swimming is a crucial life skill for our children to acquire as soon as possible so we aim to take our children swimming every year throughout their primary school career.

Implementation

We follow the National Curriculum for PE, and our link with the specialist PE company Achieve4All means that all our PE lessons are planned and taught by a specialist PE coach. The subject leader for PE alongside the class teachers, ensures that these lessons follow our long term plan for PE to ensure that we have full coverage in all areas of PE in KS1 and KS2, and to ensure that our teaching sequences have progression and development built into them.

Through local **connections** we aim for all our children to have the opportunity to take part in competitive events which are not always possible in a small school. We take part in the Culm Valley Schools Cross Country events at Killerton as well as Quadkids and swimming galas where possible. We are keen to get involved with the Exmoor Challenge when we have enough children in Year 6 to make a team viable, or otherwise look to create a team with other small schools.

After school sporting opportunities are encouraged and we run a multi-skills PE club during the winter months and an after school tennis club taught by a tennis professional in the summer months.

Our summer sports day is run as a whole school community event and is much anticipated each year for the friendly competition amongst adults and children alike.

We aim to give all our children an opportunity to swim every year, and use Tiverton Swimming Pool or a local community pool for these lessons with an instructor.

We build on previous skills taught, during each block of learning where relevant, and use key vocabulary to link learning outcomes so that children are fully aware of how they can use and apply their skills.

Impact

After each block of learning we assess our class against the end points for that block from the PE progression document. Each child has a PE passport that will travel with them throughout their time at our school. This contains all the key end points for PE for each area of PE learning and at the end of a block of learning this passport is updated with the most recent achievements.

We also keep photographic evidence of children for each block of learning to support assessment.

4 Year Plan for Coverage and Progression PE

	KS1	KS2	Wider opportunities
Year A			
Autumn Blue Planet KS1 WW2 (KS2)	Dance (link to Blue Planet) Gymnastics - balance	1 st half term – cross country running (link to Killerton cross country event which all children compete in) Hockey 2 nd half term – Gymnastics Dance (WW2 dancing for VE day party)	Cross country (KS2) CVSA Orienteering CVSA Dance event CCC
Spring Bugs, Blisters, Blood (KS1) Vikings (KS2)	Swimming Team games – simple competitive football game in small teams (Kick ball)	Swimming Football Outdoor and Adventurous Day (Escot)	Escot adventurous and outdoor day
Summer Chitty Chitty Bang Bang (KS1) Rivers (KS2)	Running, jumping and throwing – link to sports day events Short Tennis – co-operative	Dance/ Gymnastics – link to rivers Athletics – running, jumping and throwing Rounders	CVSA sports day
Year B			
Autumn Dinosaur Adventures (KS1) Grime and Punishment (KS2)	Dance – dinosaur link Gymnastics – balance and coordination	1 st half term – cross country running (link to Killerton cross country event which all children compete in) Netball 2 nd half term – gymnastics Dance	
Spring London (KS1) Beowulf (KS2)	Swimming Team games – simple competitive netball style game in small teams	Swimming Tennis Outdoor and Adventurous Day	Escot adventurous and outdoor day
Summer On the Farm (KS1)	Running, jumping and throwing – link	Dance/Gymnastics – link to mountains	CVSA sports day

Mountains (KS2)	to sports day events, Compete against yourself. Simple cricket - French cricket	Athletics Cricket	Cricket event with Clyst Hydon Cricket Club
Year C			
Autumn Great Fire of London (KS1) Egyptians (KS2)	Dance Gymnastics	1 st half term – cross country running (link to Killerton cross country event which all children compete in) Hockey 2 nd half term Gymnastics Dance – Egyptian dance	Killerton Cross country event
Spring Capture the Castle (KS1) Houses/ Benin (KS2)	Swimming Competitive team games – hockey skills link to castle defence and attack	Swimming Football Outdoor and Adventurous Day (Escot)	Escot adventurous and outdoor day
Summer Seaside (KS1) Coasts (KS2)	Running, jumping and throwing – link to sports day events, Compete against yourself. Dance – sea link	Dance/ Gymnastics – link to seas Athletics – running, jumping and throwing Rounders	CVSA sports day
Year D			
Autumn	KS1 have a 3 year cycle only so no Year D	1 st half term – cross country running (link to Killerton cross country event which all children compete in) Netball 2 nd half term – Gymnastics Dance – Greek dancing	Killerton Cross country event
Spring	KS1 have a 3 year cycle only so no Year D	Swimming Tennis Outdoor and Adventurous Day	Escot adventurous and outdoor day

Summer	KS1 have a 3 year cycle only so no Year D	Gymnastics – link to early man Athletics Cricket	CVSA sports day Cricket event with Clyst Hydon Cricket Club
